

KANSAS GOVERNOR FIXES MAY 1 AS "AMERICAN DAY"

Asks People of State to Observe
Day to Show Opposition
to Reds.

TOPEKA, Kan., April 12. Gov. ALLEN has fixed May 1 as American Day in the State. In announcing the plan, the Governor said:

"An organized group of radical agitators is threatening the foundations of organized society. This Government of the people, by the people and for the people, is on the defensive. The principle of majority rule may be endangered at this hour unless that unmistakable majority organize for protection."

"Recently this group has transplanted in America the policy, long in vogue in Europe, of making May 1 a day given over to parades of the forces of irreconcilable radicalism. To the end that people may have the opportunity publicly to demonstrate their Americanism and their determination to uphold it against the vicious assaults of radicalism and internationalism, I hereby designate and set aside Saturday, May 1, as American Day, and recommend that the day be observed in all the cities and towns of Kansas."

SUNDAY WORLD WANTS WORK MONDAY MORNING WONDERS.

Just where and how is the money to be spent?

A businesslike Answer to a businesslike Question

THIRTY denominations cooperating in the Interchurch World Movement have budgeted their needs. No business could have done it more scientifically.

They have united to prevent the possibility of duplication or waste. At least a million dollars will be saved by the fact that thirty individual campaigns are joined in one united effort.

Each denomination has arranged its needs under six main heads as shown at the left.

Each denomination has its own detailed budget, and will administer its own funds. Your pastor has copies of the budget; examine them for yourself. In the week of April 25th-May 2nd you will be given your opportunity to help. You can do it with the full satisfaction of knowing that every dollar of your gift has its post of service assigned to it in advance.

Every dollar for a better America and a better world. When your church calls on you, give—and give from your heart as well as from your pocket-book

Blood-Iron Phosphate For Weak, Thin Folks

Weak, thin, nervous people almost invariably owe their condition to lack of phosphate in the serum and lack of iron in the blood. One of the strongest, quickest and safest ways to make up the deficiency is to take with each meal a five-grain tablet of digestible phosphate and iron known among druggists here as Blood-Iron Phosphate; because it supplies iron to the blood as well as phosphate to the nervous system. People who have tried it say that one five-grain tablet taken with each meal quickly restores depleted nervous energy, enriches the blood, increases strength, and endures, and those who are too thin usually put on pounds of solid stay-there flesh in a short time. Inasmuch as Kallish Pharmacies and all other druggists are authorized to sell Blood-Iron Phosphate under a guarantee of satisfaction or money back, every thin, weak, nervous or anemic man or woman should give it a trial without delay.

Important—Blood-Iron Phosphate is sold only in original packages, containing enough for three weeks' treatment, at \$1.50 per package—only 50 cents a week. Advise.

Sensible Method of Removing Wrinkles

If crow's-feet appear prematurely about the eyes, apply a lotion made by dissolving an ounce of axatide in a half pint of witch hazel. This is the best, quickest, safest treatment known, as it tends to restore normal conditions. It tightens and strengthens the skin, likewise the underlying tissue, the loosening and softening of which are the cause of a wrinkled condition. It also has a tonic effect, which not only aids in the same direction, but by improving capillary circulation, helps to bring a healthy color to the face.

Prevent Falling Hair With Cuticura Shampoos

The first thing to do in restoring dry, thin and falling hair is to get rid of dandruff and irritation of the scalp. Rub Cuticura Ointment into the scalp, especially spots of dandruff and itching. Next morning shampoo with Cuticura Soap and hot water. Flush with tepid water.

Cuticura Talcum is an antiseptic, prophylactic, soothing dusting powder of delicate, fascinating fragrance. Use everywhere.
